

Do you have the “Splunk” we are looking for ?

- ✓ **Splunk Software Consultant**
- ✓ **Machine Data Analytics and Security**
- ✓ **Canberra, ACT location**
- ✓ **Excellent remuneration**

Rivium is a key player in the operational intelligence sector with a team of experienced and highly qualified big data analytics experts. These experts focus on delivering five key solutions to our customers (regulatory audit and compliance, security monitoring, operations management, big data analytics and the internet of things). We have built an enviable reputation as a Splunk Professional Service Provider in Australia.

Due to continued growth we require quality Splunk Consultant to join our team.

To be a successful Splunk Consultant in our team, we are looking for the following attributes:

- ◆ A diverse background in information technology with experience in a broad range of hardware, software technologies and vendors
- ◆ Previous involvement in small and large scale Splunk Enterprise deployments
- ◆ Experience with the premium apps including Enterprise Security, as well as the broader range of Splunk base apps

Importantly, you will also:

- ◆ Be motivated by the opportunity to analyse technical data
- ◆ Enjoy roles that are hands-on and have clearly defined processes
- ◆ Learn quickly and understand complex information without difficulty
- ◆ Can perform complex calculations and are comfortable communicating complex data to others
- ◆ Respond well to demands on your time and generally work at a brisk pace
- ◆ Appreciate quality leadership that provides a structured environment
- ◆ Welcome some supervision but do not respond well to managers constantly looking over your shoulder
- ◆ Be known as someone that has a positive attitude to life, but you do show frustration at times
- ◆ Make timely decisions in a methodical but highly intuitive way
- ◆ Have the courage to take a personal position that is different to the group's/friend's position

If the above resonates with you and you would like to join a dynamic, fast growing team of elite experts, please send us your application as we may just have the perfect job that you have been looking for.

Rivium does not accept unsolicited agency resumes and will not pay fees to any third party agency.

Please send your application, including cover letter and resume, on our website at <http://rivium.com.au/careers/apply/>
